

Tender Invitation Notice No.: WIL:WAD:01:2015-16**Dated: 01/05/2015**

M/s Webel Informatics Limited is inviting proposal from prospective bidders for 'Development of Web Enabled Application' for the Department of Labour, Govt. of West Bengal. In the said Application the following details are to -

Before submitting Bid one should read the Job Background and Job as stated below-

Job Background: There is large nos. of shops and establishments under Kolkata Jurisdiction who need to apply for registration and renewal of Registration as per the West Bengal Shops and Establishment Act, 1963. The manual system has inherent disadvantages as it takes time and applicant has to travel to the Office to enquire and submit applications. The proposed on line system will enable to provide hassle free online submission of applications for registration and renewals, changes in the Registration Certificate, winding up of business and also see the status of submitted applications on line, through email and SMS. While it will be greatly helpful to the users, it will help the Department to monitor the status of applications and generate applicant wise registers. As volume of work is increasing and compilation of reports from the manual registers, and searching are becoming very difficult. There are now demands for quick reports from various authorities. More over there is a growing need of reports in various formats. This will also enable quick searching of the returns & reports.

Job : Development of online Application for Registration, Renewal, Change in the Registration Certificate and Winding up of Shops/Establishments etc. under the West Bengal Shops & Establishments Act, 1963 & Rules framed there under for Kolkata District.

Coverage of the Application has the following facilities:

- Online submission of application & documents
- MIS Report Generation through Dynamic Report Builder.
- The application should have SMS and e-mail integration to be sent to Employer/Shop-keeper
- Application Tracking by the Labour Commissioner ate, West Bengal and Employers/Shop-keepers
- Application pending status,
- Processing & approval of Registration, Renewal, notice of change winding up , duplicate etc .
- Security audit
- Data fetching options form another application is to be made
- Online or offline payment integrations through GRIPS
- This software works on role based access control
- Audit trail implemented

- Master data base of statutory provision
- Form download & Upload facility

Interested bidders should submit their bid within **22.05.2015**. The lowest bidder will get the opportunity for Development of Web enabled Application'

The offer shall be in a sealed envelope addressed to "M/s Webel Informatics Ltd., 225F, A.J.C Bose Road, Kolkata-700 020" super scribed "Offer for Tender Invitation No. **WIL:WAD:01:2015-16**. Not to open before **22.05.2015**".
